

Event Production

We design and execute live events with the Crew, technology, and experience to deliver confidently from load-in to final cue.

WHAT WE DO

- **Audio Systems** — PA, line arrays, wireless, RF, monitors, consoles
- **Lighting Systems** — automated fixtures, show lighting, effects, control
- **LED & Video** — staging, risers, roofs, rigging systems
- **Staging & Rigging** — LED walls, IMAG, cameras, switching, playback
- **Production Support** — advancing, logistics, Crew, onsite execution

CONCERTS & TOURING

Tour-ready production and Crew built for demanding schedules and professional shows.

FESTIVALS & OUTDOOR EVENTS

Scalable production engineered for large sites, long days, and changing conditions.

CORPORATE & SPECIAL EVENTS

Polished production for presentations, galas, launches, and important moments.

SPORTS & ENTERTAINMENT

Polished, high-impact production that elevates presentations, brand moments, and communication.

COMMUNITY & CIVIC EVENTS

Complete production support for public gatherings, celebrations, and community events.

***“CLEAR PLAN. EXPERIENCED CREW. TESTED SYSTEMS.
CALM EXECUTION.”***
